How the Easy Giving Program Works.

Young Life's Easy Giving Program provides two convenient ways for you to make your contributions at the same time every month — even if you are away from home.

One: Gifts can be automatically deducted from your bank account.

Or

Two: Gifts can be automatically charged to your credit card.

Your commitment to Young Life is changing lives forever. The Easy Giving Program is a dependable and convenient way to ensure your gifts are making a difference.

Follow these easy steps to simplify your life!

1. **Enter** your personal information in the upper portion of the response form. Make sure to sign your name, and include the monthly gift amount and today's date.
2. **Select** whether you wish to have your gift deducted from your bank account or if you would rather use your credit card. Complete the requested information that is on the reverse side of this brochure.
3. **Include:**
 - A check for your current commitment so your giving will not be interrupted
 - **A voided check** to provide us with the required banking information for the electronic transfer

The first transfer will take place 30-45 days after the receipt of this application. If you choose an electronic transfer from a savings account please state so and attach a deposit slip for that account to this form. You will receive a letter confirming your participation in *Young Life's* Easy Giving Program. Each month the transfer occurs automatically and the record of giving appears on your bank account or credit card statement. *Young Life* will continue to send you receipts for your tax records. If at any time you wish to discontinue using the Easy Giving Program, simply call one of *Young Life's* representatives at **719-381-1985**.
