“A better school for a better future”

IMPACT Teoretic

Lupeni, Romania

April 1st – May 29th, 2004

Project Summary

The IMPACT club organized presentations for the 8th grade pupils from Lupeni and Uricani, and distributed informative materials about the course offerings of the Theoretical High School from Lupeni. Due to this project, a greater number of pupils registered for the high school compared to previous years.

Problem Statement / Justification

In the past years, a great number of pupils with good results left the school from Lupeni, searching for better education, without being aware of the existing possibilities offered by the Theoretical High School from Lupeni.

Objectives

- To inform the 8th grade pupils about the possibilities offered by the Theoretical High School from Lupeni;
- To help pupils be aware of and choose a better school in their area;
- To increase the performance of students from the Theoretical High School.

Partners & Sponsors

- Local City Hall of Lupeni
- Lupeni Theoretical High School

Activities

- Distribution of informative materials about the Theoretical High School from Lupeni;
- Organization of presentations in the elementary schools from Lupeni and from Uricani;
- Advertising the educational offer of Lupeni High School in the local media

Evaluation

With the occasion of this first project, the members of IMPACT Teoretic club (IMPACT in the Lupeni High school) learned how to write a project, how to speak in front of a large number of people, how to work together and to collaborate with local sponsors and local authorities. The pupils from the elementary school became aware of the opportunities offered by the Theoretical High School from Lupeni. As a result, 168 pupils registered to the Theoretical High School from Lupeni.

Budget

204.5 RON (about 60 USD), donated by the Local City Hall of Lupeni and the New Horizons Foundation.
