## “Young people taking care of the senior citizens”

IMPACT Economic

Iasi, Romania

Oct.- Dec.2005

### Project Summary

Distributing a hot meal to the old people from the Ticau / Sararie area from Iasi, offering moral and human support within the monthly meetings of young people with the senior citizens. The meetings have been organized on a monthly basis, Saturdays or Sundays, for three months (October, November and December 2005).

### Problem Statement / Justification

Identification of a large number of senior people in risky situations in the areas of Ticau / Sararie, Iasi. The need of moral and material support for the elderly people from this area.

### Objectives

- Identification of the target group;
- Distributing a hot meal to those in need;
- Moral and human support for lonely and poor elderly;
- Raising the attention of local authorities on the situation of the elderly people and their needs.

### Budget

72 RON from the projects funds (transportation of members and leaders)

Other funds:

800 RON: the total value of the hot meals.

### Activities

- Identification and contact with the people in risk situation;
- Collaboration with the Association of Christian Orthodox Students from Iasi (ASCOR) and the Social Refectory « Sf. Haralambie ».
- Trips to the area Sararie,- Ticau ;
- Distribution of hot meals ;
- Meeting with the identified seniors (including discussions about the problems elderly people face).

### Evaluation

30 senior citizens have benefited of a hot meal and the moral and human support offered by the club members. This action was also meant to attract the local authorities' attention to the need for social services that address to elderly people.

### Partners & Sponsors

- ASCOR Iași
- Social Refectory « Sf. Haralambie »,
- The « Sf. Haralambie » Parish, Iași.
