

LEAVE NO TRACE TRAINER COURSE

The mission of Leave No Trace Inc. is to promote and inspire responsible outdoor recreation through education, research and partnerships.

LNT Trainer courses are offered to applicants who are interested in reaching large numbers of individuals with the Leave No Trace message. The focus of the course is to instruct participants on how to teach others Leave No Trace Principles using a variety of techniques. All participants are highly encouraged to teach at least 1 principle during the training session. Materials will be provided at the beginning of the course.

Trainers will be given a diploma directly from LNT Inc. and will be allowed to conduct courses for all interested individuals or organizations. Recipients are expected to conduct LNT courses regularly and consistently report on such courses to Leave No Trace, Inc. or the New Horizons Foundation.

APPLICANTS MUST:

-describe yourself and your organization (if applicable), the nature of your work and your interest for attending the course (max. one page).

Please select the course option you are interested in:

Approximate number of participants needed for a course is 7 to 10. Courses availability depends on the number of applications received and staff availability.
